

Yagmur yagar yer yař olur

Raki ien anam serhoř olur

Gelin olan ne hoř olur

Anam anam garib anam

Seviřiyilar anam iki canlar

Anam anam garib anam

Sen aglama anam dayanamam

Kızılıciklar behar aar

Bu bekarlar anam deva saar

Gelin olan evden uar

Yagmur yagar ufak ufak

Eli kına anam yüzü duvak

Evden ıkti salınarak

Rain falls and the ground gets wet
Rakı drinkers get drunk
And brides are so lovely
Mother oh mother, dear mother
two souls love one another
Dear mother don't cry, I can't bear it.
Dogwood flowers in the spring
The bachelors go wild
And the brides fly from their homes
Rain falls as a mist
Henna'ed hands and a veiled face
She left home with a sway in her step
